

Introducing an all new Online Banking & Mobile App Experience!

At Home & On-the-Go

Same login credentials, NEW look.

Native Apps for iOS & Android

Truly native apps providing a superior experience on all phones and tablets.

Touch ID or PIN authentication

Easily and securely log in using fingerprint or a personal identification number.

Personalize Your App

Arrange the app's features in a way that makes the most sense to you—customize the app on a per-device basis and move things around however you like.

Transfer Funds

Effortlessly initiate one-time, future date, or repeating transfers.

Make Deposits with a Snap of Your Camera

Deposit checks into qualified accounts using the mobile remote deposit feature.

Your Money Wherever You Need It

Our application works across your devices and is developed with industry-leading technology to deliver a smooth experience.

Mobile Bill Pay

Pay bills or send money quickly and securely.

View Balances & Transactions

Search for transactions, add a note or an image, and filter by tags. Understand your activity and find what you're looking for—fast.

Branch and ATM Locations

Find the nearest ATM or locate a branch using your current location.

How to Prepare for the July 16th launch:

- Beginning July 16th, visit the current RiverFall app for a quick link that will redirect you to download the new app.
- Be prepared to reset any biometrics that you are accustomed to such as facial recognition.
- Ensure you know your login credentials. When logging into the new platform for the first time, previously saved usernames and passwords will need to be reentered.
